Confidently

British

At Vauxhall, we believe great cars are for everyone.

We're part of the fabric of British life – finding smart ways to make life better for the nation's drivers. It's a journey of progress that unites us all. And to us, the future has never looked more exciting. Take a look at the all-new Astra to see what we mean.

We believe technology works best when it works for everyone. When it's not just as smart as can be, but also as easy as can be. We call it Vauxhall Pure Technology. Now everyone can feel the instant excitement of electric. Everyone can keep themselves and their loved ones safe.

And everyone can stay connected to the things that matter most, simply and easily. That's Vauxhall Pure Technology. No gimmicks, nothing complicated, just technology that makes driving better, easier and more exciting, for everyone.

Vauxhall Pure Technology

Next level

The iconic Vauxhall Astra. Now in its eighth generation, it's never stopped looking forward.

Featuring our very latest bold and pure design philosophy in exciting hatchback and sports tourer form, it not only boasts everyday practicality, but a totally detoxed cabin environment.

Not to mention, a dynamic driving experience that features comprehensive safety and driver assistance, in your choice of transmission, including an all-new plug-in HYBRID-e that delivers up to 180PS of electrified power with the ability to go emission-free for up to 43 miles.

The all-new Vauxhall Astra is a real driver's car, and it's not hard to see why.

Bold & Pure

All-new Astra demands attention from every angle. Bold and pure, the finely tuned lines give it a distinctive and confident stance.

From the front, the iconic Vauxhall vizzor takes centre stage, sweeping effortlessly through the signature LED headlights. The dynamic new look continues with the contrasting floating black roof matched to the black vizzor treatment and gloss badge detailing on most models.

There's no doubt that the all-new Astra redefines classic Hatchback and Sports Tourer design.

Versatility at its heart

This is all-new Astra in its versatile Sports Tourer form. With the same automotive technology as the iconic Hatchback. The same dynamic driving characteristics. The same intuitively designed interior and detoxed cabin with the very latest in comfort, convenience and connectivity.

All-new Astra

We live in a connected world. Friends and relatives are only a button away. We play music on demand. Information is instant. At Vauxhall we've brought your connected world inside the car – we call it Vauxhall PureConnect.*

Easy to use and always on, PureConnect seamlessly connects you to the things that matter through the smooth, flowing Pure Panel display. It links you to your friends and family using wireless Apple CarPlay and Android Auto™. And, just as intelligently, it connects you to your car's onboard tech, through touchscreen and voice control. With more features and less clutter, this is driving, detoxed.

Connected world

Driving without distraction

In a totally detoxed cabin environment, you sit in a lower, sportier driving position within ergonomic active front seats* specifically designed to support a healthy posture.

The fully integrated Pure Panel digital cockpit gives you a full 20-inches of customisable information and infotainment display. All easily accessed through the touchscreen or simple voice control for your choice of music, sat nav directions, phone connectivity and even the interior temperature.**

u n c l u t t e r e d

And not only can you go hands-free but you can go cable-free too, with super convenient wireless phone connectivity for Apple CarPlay and Android Auto™ plus your mobile phone charging.** So, it's easy to see why the all-new Astra interior is such a great place to be.

Comfort is key

Sit back and relax in all-new Astra's AGR front seats.* Seats that can be heated along with the steering wheel and windscreen, while the perforated leather versions** are ventilated to keep you cool and can even perform a massage. Travel comfortably thanks to electronic climate control, breathe easy with the addition of Intelli-Air† and open up a window on the world with a panoramic glass sunroof†. All made to make journeys in your Astra more convenient and comfortable.

Space redefined

All-new Astra Sports Tourer uses Intelli-Space to offer plenty of smart storage solutions. With up to 597 litres of useful storage space and up to 1,634 litres with the seats folded. There's even easily accessible storage boxes in the load area and a dual load floor to give you even more space when you need it.

Vauxhall PureEnergy

VX_ASST_PHEV_33230

At Vauxhall, we're on a mission to open up electric driving to everyone. To deliver instant, exhilarating performance with low emissions. To change the way we move, for the better.

And with innovative plug-in HYBRID-e models available across the range, there's an electrified all-new Astra that will fit seamlessly into your life. One that's more exciting than ever, while keeping costs as low as possible. Thanks to PureEnergy from Vauxhall.

Exhilarating performance

VX_AST_PHEV_32835

Petrol and diesel too

The agility, driveability and comfort of all-new Astra is second to none. Take your pick from a range of enhanced turbo-charged powertrains, including a responsive 1.2 petrol or highly-efficient 1.5 diesel, both delivering up to 130PS alongside the availability of a sophisticated 8-speed transmission with three driving modes.

The power of electric

A sophisticated automatic transmission with three driving modes – Pure Electric, Hybrid and Sport for outright pace when you need it. All-new Astra Plug-in HYBRID-e gives you the best of both worlds.

With up to 180PS combined power and a 43-mile pure electric range that will cover your daily commute plus a 1.6 150PS Turbo petrol engine for longer journeys. This is a car you'll love to drive – and own.

- Up to 180PS from Plug-in HYBRID-e tech
- 0-60 in 7.7 seconds
- Three driving modes: Pure Electric, Hybrid and Sport

Vauxhall PureSense

VX_AST_PHEV_32947

Vauxhall PureSense gives you heightened awareness on the road, with smart driver assistance technology that makes every journey safer and more enjoyable.

From the all-new Astra Ultimate's IntelliLux adaptive LED® pixel headlights that automatically adjust to avoid dazzling oncoming drivers, to the ability to read road signs and to warn of constantly changing driving situations. And the best bit? You don't have to do a thing.

PureSense is always on, continually working away in the background, scanning the road ahead, keeping you safe and allowing you to just enjoy the drive. From now on, Vauxhall PureSense is everyone's sixth sense.

It's easy to choose

VX_AST_PHEV_33560

Choosing your all-new Astra is simple

With just three trim levels to choose from; Design, GS Line and Ultimate.

All three are available with a petrol or diesel powertrain while plug-in HYBRID-e models are available in GS Line and Ultimate form. Go for the model that works best for you, without any complicated extras.

All-new Astra comes in a whole host of eye-catching colours. And most models feature a contrast black roof as standard.

Lots of little extras

Body styling

Add to your all-new Astra. Just when you thought your Astra couldn't look any better, you can take it up a notch with our styling accessories. And if that's not enough you can add diamond cut, bi-colour alloy wheels.

You can add a bigger pop of colour to the following accessories:

- Exterior door mirror covers
- 18-inch diamond-cut, bi-colour alloy wheels with contrast colour wheel clips

There's also a range of interior styling products available:

- Interior rear-view mirror covers
- Aluminium pedal covers for manual and auto

Practical accessories

Please note, roof box colour may differ from that illustrated.
