FEATURES

Infotainment:

- Touchscreen infotainment system digital radio, Bluetooth® audio streaming, Bluetooth® mobile phone portal, USB audio connection
- 8-inch colour touchscreen
- Apple CarPlay/Android Auto™
- Six speakers

Interior convenience/styling:

- Height-adjustable driver's seat
- Air conditioning
- Steering wheel mounted audio controls
- 60/40 split-folding rear seat back
- Chrome-effect interior door handles
- Luggage compartment cover
- Two individual split-folding and removable third-row seats (7-seat models)
- Sliding facility for third-row seats (7-seat XL models)

Exterior convenience/styling:

- Rear parking distance sensors
- Electrically operated front windows with safety autoreverse and one-touch up/down facility
- Nearside and offside sliding side-access door with opening windows
- Daytime running lights
- Tailgate with heated rear window and wiper
- Body-colour front and rear bumpers
- Front fog lights
- Side-protection mouldings
- 16-inch steel wheels
- Full-diameter wheel covers
- Emergency tyre inflation kit
- Body-colour door handles and side-access door railcovers
- Rear parking distance sensors
- Body colour rear spoiler

Safety/security:

- Automatic emergency braking with pedestrian detection
- Electronic stability programme with traction control
- Anti-lock braking system
- Forward collision alert
- Emergency brake assist
- Lane keep assist with lane departure warning
- Automatic lighting control
- Cruise control with speed limiter
- Speed sign recognition
- Six airbags
- Driver drowsiness system
- Tyre pressure monitoring system

Combo Life's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

#Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

FEATURES/OPTIONS

SAFETY

	Option code	Edition	SE	Elite	Price (£) exc. VAT	Price (£) inc. VAT
Driver/passenger airbags • Driver's airbag • Front passenger's airbag • Two front seat side-impact airbags • Full-size curtain airbags for driver and front and outer rear seat passengers		●	●	●		
Seatbelts • Lap and diagonal inertia-reel seatbelts (height-adjustable front) • Front body-lock diagonal seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact. • Drivers and front passenger's lap belt pretensioner system • Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • Anti-submarining ramps in front seats – Help prevent occupants sliding underneath the lap belt during a collision. • 'Seatbelt unfastened' audible warning and warning light.		●	●	●		
Child safety • Deactivation switch for front passenger's front and side-impact airbags – Permits the safe use of a child seat in the front passenger seat. • ISOFIX child seat mountings incorporating top tether anchor points located on second-row rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install. • Child-proof locks on rear doors		●	●	●		
Driver/passenger safety • Energy-absorbing steering column • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear		●	●	●		
Braking and stability • Electronic stability programme • Anti-lock braking system • Corner stability control • Traction control • Hill start assist • Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking. • Emergency brake assist • Electronic brakeforce distribution		●	●	●		
Tyre pressure • Deflation detection system		●	●	●		

● = Standard equipment.

FEATURES/OPTIONS

DRIVER ASSISTANCE

	Option code	Edition	SE	Elite	Price (£) exc. VAT	Price (£) inc. VAT
<p>Cruise control with speed limiter and intelligent speed adaptation</p> <p>The cruise control feature enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required. Working in conjunction with speed sign recognition, when a new speed limit is detected a message appears in the driver information display. You can then set the cruise control to the new speed limit with a simple press on a steering wheel button.</p>		●	●	●		
<p>Front camera system</p> <p>A range of class-leading driver assistance and safety features are controlled by the front camera system.</p>						
<p>Lane keep assist with lane departure warning</p> <p>If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.</p> <ul style="list-style-type: none"> • Warning light in instrument cluster • Audible warning • Facia on/off switch 		●	●	●		
<p>Speed sign recognition</p> <p>Detects and then displays speed limits, reducing uncertainty and the risk of speeding.</p> <ul style="list-style-type: none"> • Recognises different speed signs, including temporary speed restrictions • Displays reminder in the instrument cluster 						
<p>Driver drowsiness system</p> <p>The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.</p>		●	●	●		
<p>Forward collision alert</p> <p>The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.</p>		●	●	●		

● = Standard equipment.

FEATURES/OPTIONS

DRIVER ASSISTANCE CONTINUED

	Option code	Edition	SE	Elite	Price (£) exc. VAT	Price (£) inc. VAT
<p>Automatic emergency braking with pedestrian detection</p> <p>The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 70mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 70mph it brakes automatically to reduce speed by a maximum of 30mph – To reduce speed even further the driver must brake him/herself. The operational speed range of the system depends on the detected obstacle (mobile target: from 3 to 53mph; fixed target: from 3 to 70mph; pedestrian: from 3 to 37mph). Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task.</p>		●	●	●		
<p>Parking sensors</p> <ul style="list-style-type: none"> • Rear parking distance sensors with audible warning 		●	●			
<ul style="list-style-type: none"> • Front and rear parking distance sensors with audible warning 	UD5		○	●	333.33	400.00
<p>Rear camera</p>			●	●		
<p>Side blind spot alert</p>				●		
<p>Adaptive cruise control – Diesel manual models.</p>	K38		○		208.33	250.00
<p>Advanced park assist</p> <p>Advanced park assist not only detects suitable parking spaces but also expertly steers into them for you. All you have to do is to drive forward or reverse and brake. The system works with both parallel and bay parking.</p> <ul style="list-style-type: none"> • Automatic pull-out function • Ultrasonic side sensors identify suitable parking spaces at speeds up to 12mph • Fully automated steering • Detailed forward/reverse instructions are shown in the instrument cluster • Requires front and rear camera 	UFQ		○	○	379.17	455.00
<p>Head-up display</p> <p>The head-up display projects key information onto the windscreen so that the driver's eyes remain on the road at all times. The display is adjustable for height and brightness.</p> <p>Displays:</p> <ul style="list-style-type: none"> • Navigation directions (where fitted) • Speedometer • Rev counter • Set speed of cruise control and speed limiter • Forward collision alert 	UV6		○	○	295.83	355.00

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

*Correct at time of publication.

SPECIFICATIONS

Transmission

Five-speed manual gearbox:
1.5 (100PS) Turbo D models.

Six-speed manual gearbox:
1.2 (110PS) Turbo/1.5 (130PS) Turbo D models.

Eight-speed automatic transmission:
1.2 (130PS) Turbo models.

Replacing the traditional lever, the automatic transmission selection-mode dial/drive wheel is an innovation solution that is both elegant and intuitive. By simply twisting the dial, the following modes can be selected:

- Park, for when the vehicle is stationary and the wheels are locked
- Drive, for automatic forward motion
- Neutral, for when the vehicle is stationary, wheels are free
- Reverse, for automatic backward motion

Fuel tank capacity

61 Litres (13.4 gallons) – Petrol models.
50 Litres (10.9 gallons) – Diesel models.

AdBlue® tank capacity
17 Litres (3.7 gallons).

Steering

Turning circle (kerb-to-kerb) –
11.0m (36 ft) Life models,
11.8m (38.7 ft) Life XL models.

1.5 (100PS) Turbo D (7-seat)	2285	1100 (750)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 100kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer. ²Restricted to rear seat usage only for vehicles with transponder deactivation of passenger airbag. ³A dedicated T-Track adapter (Thule 697-4 or Thule 697-6) is required for the installation of specific roof boxes, contact your local Vauxhall Retailer for details.

COMPANY CAR DRIVER AND FLEET INFORMATION

High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation**

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%[†] for Basic Rate, 40%[†] for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Combo Life Edition 1.5 (100PS) Turbo D S/S BlueInjection (CO₂ emissions 135g/km)

On-the-road RRP	£23,010.00
Deduct: Vehicle Excise Duty	(£215.00)
New vehicle first registration fee	(£55.00)
Effective list price	£22,740.00
Add: Optional two-coat metallic paint	£570.00
List price for tax purposes (P11D value)	£23,310.00
Car benefit charge 2020–21 tax year (30%)	£6,993.00
Benefit in kind tax liability (2020–21 tax year)	
Basic Rate (20%) tax payer	£1,398.60
Higher Rate (40%) tax payer	£2,797.20

**Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

[†]Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate
		Petrol [#]	Diesel [†]	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£135	£145
E	91-100	£135	£155	£145
F	101-110	£155	£175	£145
G	111-130	£175	£215	£145
H	131-150	£215	£540	£145
I	151-170	£540	£870	£145
J	171-190	£870	£1,305	£145
K	191-225	£1,305	£1,850	£145
L	226-255	£1,850	£2,175	£145
M	Over 255	£2,175	£2,175	£145

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling
