

LIFEJUST GOT A LITTLE MORE

But its commanding driving position is far from the only thing that's a bit grand about Grandland X. There's serious brains beneath the brawn, giving you powerful, on-the-go connectivity with the reassurance of smart safety technology.

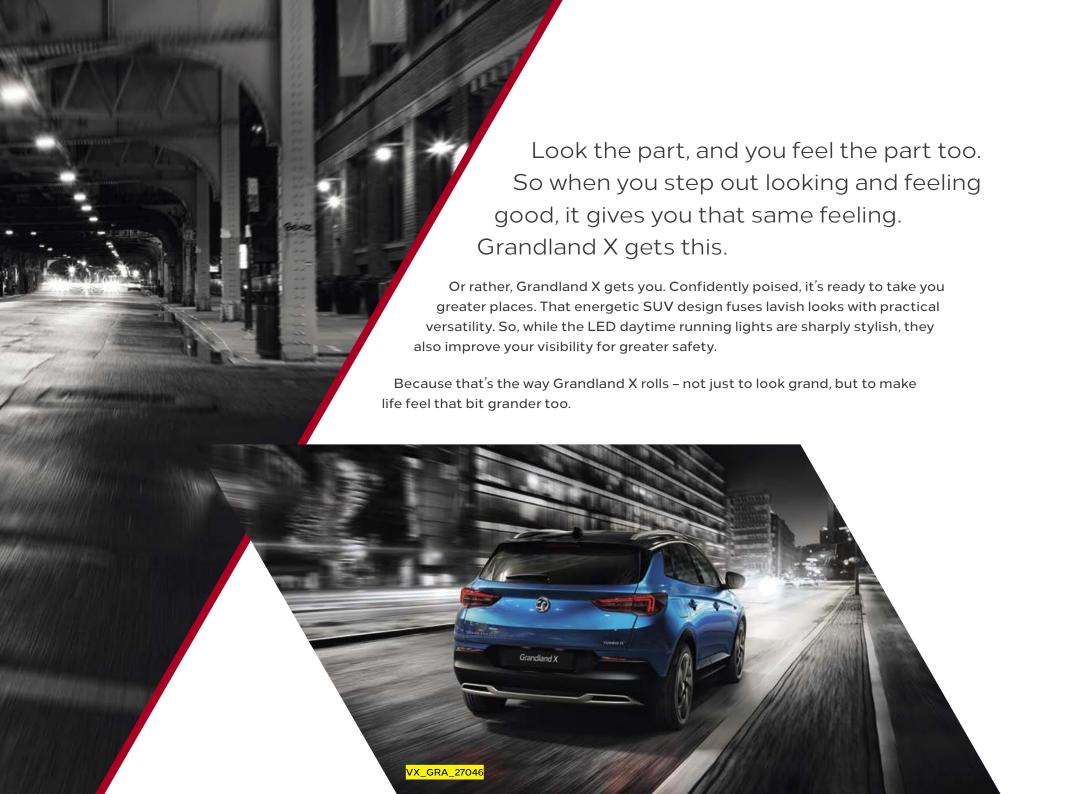

Even as standard, it's grander. Well equipped with premium features like OnStar personal assistance and its own 4G Wi-Fi Hotspot, this is far from just another SUV.

But that's not all. There's plenty more splendid little moments to come. So turn the page and let's start feeling it.

Isn't life brilliant.

1. Keyless entry and start*

For starters, getting in and out and on the road is easier with keyless entry and start, which gives you secure access to your car and its ignition without taking your keys out of your pocket.

2. Blind spot alert*

This is a real lifesaver. It helps prevent collisions by ultrasonically detecting vehicles hidden either side of you. If a vehicle moves into your blind spot, a warning light illuminates in the appropriate door mirror, making you aware of any hazard.

3. Advanced park assist**

Trying to get into a tricky space? Just switch to advanced park assist. Then take your hands off the steering wheel as Grandland X steers you in. Now that's a smart move.

4. Rear-view camerat

If you're parking in a confined space, check the optional 180° rear-view camera so you can reverse into a tight spot with ease. Ultimate models feature a 360° panoramic camera as standard for a high and wide angle view around your car so you can move with even more confidence.

- *Standard on all models except SE.
- **The driver works the pedals and gears, while advanced park assist steers the car.
 Standard on Ultimate models only.
 †Option available from Spring 2018.

MEET YOUR

IDEAL TRAVEL COMPANION

Journeys go faster with great company. It's just a good feeling to have someone with you along the way. Which is why Grandland X comes with OnStar personal assistant.

A personal connectivity and service assistant who's always there for you, 24/7, 365 days a year. That's OnStar¹.

At the push of a button, it puts you in touch with someone to help you – it could be help to find or unlock your car, or immediate emergency assistance – whatever happens, OnStar's there for you.

Oh yes, and how could we forget OnStar also features a 4G Wi-Fi Hotspot?² Perfect for hooking up to seven devices (I want to be at that party). Isn't this just the kind of mate you'd like on your next road trip? And we guarantee it won't complain about the music you play – a perfect travel companion indeed.

*Standard on all Grandland X models

1 Vauxhall are not responsible for the provision of OnStar services or Wi-Fi services. OnStar Services require activation and account with OnStar Europe Ltd, (a GM Company). Wi-Fi services require additional account with OnStar Europe Limited's mobile network operator supplier. All services subject to mobile network coverage and availability. Use of OnStar services (except Wi-Fi) is free of charge for 12 months from registration date or delivery of vehicle, whichever comes first. Charges apply after expiry of applicable trial periods. Check vauxhall.co.uk/onstar for service limitations and charges. 2 The 4G Wi-Fi Hotspot services require account with OnStar Europe Ltd. and nominated network operator. The Wi-Fi trial has a time limit and capped data allowance. Charges apply thereafter. All services subject to mobile network coverage and availability.

YOU'RE SAFE

With OnStar you have emergency assistance at your fingertips, available 24 hours a day, 365 days a year.

// Automatic Crash Response¹:

in case of a crash and an airbag deploys, our advisors automatically connect to your car. If needed, they immediately brief the emergency services with key car information and can send them to your exact location.

// 24-Hour Emergency Call Service¹:

you or a passenger are not feeling well? Push the red SOS button and our advisors make sure to send help right away.

// Roadside Assistance^{1,3}:

if you have a flat tyre or a warning light in the dashboard goes on, just contact our advisors and they will send Roadside Assistance to your location, if required. This is even more valuable in areas with weaker mobile phone coverage or if your smartphone has run out of battery.

// Stolen Vehicle Assistance1:

in case your car gets stolen, report it to the police and get a crime reference number. Once the car stops and is turned off, OnStar blocks the ignition so the car can't be restarted again and provides the police with the exact vehicle location to help retrieve your car safely.

YOU'RE WELL CONNECTED

Nowadays, we're pretty used to having Wi-Fi on tap almost everywhere. So why not your car? And you can use the smartphone app to view the status of some functions, locate your car, and lock or unlock it if needs be.

// Wi-Fi Hotspot^{1,2}:

a fast and stable Internet connection enables you and your passengers to work, surf or just stream movies on up to 7 devices – thanks to the powerful OnStar roof antenna.

// Remote Control^{1,4}:

if you forgot to lock your car, you can use your smartphone to remotely lock or unlock it, even from afar, thanks to the **My Vauxhall Smartphone App.**

// Car Locator^{1,4}:

forgot where you've parked? Pinpoint your car's location on the app. If you are close and still do not see it, just blink the headlights or honk the horn to see where you've parked.

YOU'RE LOOKED AFTER

Who wouldn't want a personal assistant? At the touch of a button, you'll be connected to an assistant who's at your service – 24 hours a day, 7 days a week.

// Hotel Booking^{1,5}:

plans changed? Or too tired to keep driving? Let our advisors take care of your hotel booking en route, powered by Booking.com. Just press the blue Service Button.

// Parking Service^{1,6}:

never search for a car park space again! Using Parkopedia.com, OnStar can find the nearest car park to your destination. That way, before you even get there, you'll already know the availability and parking fee. How's that for personal service? All without leaving your new Grandland X.

3 OnStar will direct a professional breakdown recovery team to your location. If your car is within the Vauxhall New Vehicle Roadside Assistance coverage period, OnStar will connect with the Vauxhall Roadside Assistance service, who will send help free of charge, subject to the Vauxhall Roadside Assistance terms and conditions. If your vehicle is outside the coverage of the Vauxhall New Vehicle Roadside Assistance service, the provider of the breakdown recovery service may apply charges for the services provided. 4 Some elements of Smartphone App may not be available for all cars/trim levels. Check vauxhall.co.uk/onstar for service limitations and charges. 5 An OnStar advisor can help you book a hotel room using Booking.com, subject to Booking.com user terms and privacy statement, which can be found on the Booking.com website, and the applicable terms and conditions for your hotel. OnStar assists you in making a booking and is not responsible for the services provided by Booking.com or your hotel. Email address and credit card required. 6 Some elements of Smartphone App may not be available for all cars/trim levels. Check vauxhall.co.uk/onstar for service limitations and charges. 7 Only available for car parks which are listed in Parkopedia. Information about availability applies for the time of contact with OnStar.

HOW TO GET ONSTAR

OnStar is standard on all Grandland X models.

1. We will send you an e-mail so you can activate your account $% \left(1\right) =\left(1\right) \left(1\right)$

- then just complete your registration and set your preferences.

2. Just activate OnStar when you take delivery of your new Grandland X.

3. OnStar is ready to go!

Best of all the OnStar services are free of charge for the first 12 months¹. You'll also get a free data trial period for the 4G Wi-Fi Hotspot².

You can purchase Wi-Fi Hotspot data packages separately from the nominated network provider by following the instructions on vauxhall.co.uk/onstar. Charges apply after the free trial period.

To ensure your privacy, you can turn OnStar off and on anytime*. Find out more at vauxhall.co.uk/onstar

*OnStar can only override the Privacy Button in an emergency or if your car is reported stolen.

1 The OnStar services require activation and account with OnStar Europe Ltd. Charges apply after applicable trial period. All services subject to mobile network coverage and availability. The OnStar subscription packages could be different from the services included in the free trial package. Check vauxhall.co.uk/onstar for details of availability, coverage and charges. Terms and conditions apply.

2 The 4G Wi-Fi Hotspot services require account with OnStar Europe Ltd. and nominated network operator. The Wi-Fi trial has a time limit and capped data allowance. Charges apply thereafter. All services subject to mobile network coverage and availability.

HOW TO GET MY VAUXHALL

If you already use OnStar, you can access all the My Vauxhall services. Otherwise, simply register for My Vauxhall this way:

- 1. When you order your Grandland X, your retailer will help you pre-register for My Vauxhall.
- 2. We'll send you an e-mail invitation to activate your My Vauxhall account and complete your registration.
- 3. My Vauxhall is ready to go use it through any web browser, or the My Vauxhall app on your mobile device, available to download from the Google Play or Apple App Store.

Power tailgate*

Complementing Grandland X's keyless entry and start system, a sensor-operated power tailgate gives you hands-free access when you're carrying and loading luggage. Just swipe your foot under the rear bumper to spring open the tailgate – grand.

Split-folding rear seats* Make space work your way with seats that fold down flat in one easy hand movement. They've got a 60/40 split ratio too, so they adapt for all sorts of tasks. Flexible space*

Perfect for long loads, the seats feature a pass-through space so you can safely store anything from ski gear to fishing

tackle inside your car.

Who doesn't love the confidence of control? That feeling of knowing what you can do, and just being able to do it.

That's exactly what makes Grandland X gripping stuff on every stretch, turn and curve. Oh yes, and its economical fuel consumption means you'll refuel less often, which can only add to that good mood.

Gripping stuff

IntelliGrip traction control is an intelligent front-wheel drive system that gives you greater traction in different driving conditions by adjusting torque distribution and optimising the operation of the ESP system. There are four different modes: standard ESP operation plus a mode for driving in snow, in muddy conditions or on sand. So wherever
