# Vauxhall Pure Technology

We believe technology works best when it works for everyone. When it's not just as smart as can be, but also as easy as can be. We call it Vauxhall Pure Technology. Now everyone can feel the instant excitement of electric. Everyone can keep themselves and their loved ones safe. And everyone can stay connected to the things that matter most, simply and easily. That's Vauxhall Pure Technology. No gimmicks, nothing complicated, just technology that makes driving better, easier and more exciting, for everyone.

## Vauxhall PureSense

Vauxhall PureSense gives you heightened awareness on the road, with smart driver assistance technology that makes every journey safer and more enjoyable. And the best bit? You don't have to do a thing. PureSense is always on, continually working away in the background, scanning the road ahead, keeping you safe and allowing you to just enjoy the drive.

## Vauxhall PureConnect

We live in a connected world. Friends and relatives are only a button away. We play music on demand. Information is instant. At Vauxhall we've brought your connected world inside the car - we call it PureConnect. Easy to use and always on, PureConnect seamlessly connects you to the things that matter through the smooth, flowing Pure Panel display. And, just as intelligently, it connects you to your car's onboard tech, through touchscreen and voice control.

## Vauxhall PureEnergy

At Vauxhall, we're on a mission to open up electric driving to everyone. To deliver instant, exhilarating performance with low emissions. To change the way we move, for the better. And with innovative plug-in Hybrid/electric models available across the Vauxhall range, there's an all-electric Mokka that will fit seamlessly into your life. One that's more exciting than ever, while keeping costs as low as possible. Thanks to PureEnergy from Vauxhall.

# Choose Your Trim Level

## Design

First in the line-up is the wonderfully well-equipped Design.

## GS Line

This sporty number in the range comes with stylish red accents and is loaded with even more tech.

Also available as a 100% electric model.

## Ultimate

All you could ask for; our Ultimate model has it all.

Also available as a 100% electric model.

# Mokka Electric Range Highlights

## GS Line

### Standard features include:

#### PureSense

- LED headlights and tail lights
- LED daytime running lights
- LED front fog lights
- High beam assist
- Rear parking distance sensors
- Lane departure warning with lane keep assist
- Forward collision alert (low speed)
- Traffic sign recognition
- Driver drowsiness alert
- Automatic emergency city braking
- Six airbags
- Hill start assist
- Remote control ultrasonic security alarm system
- Automatic lighting control with tunnel detection
- Panoramic rear-view camera

#### PureConnect

- Multimedia Pure Panel Navigation system
  - 10-inch colour touchscreen
  - 12-inch digital instrument cluster
  - Satellite Navigation
  - AM/FM/DAB digital radio
  - Bluetooth®
  - Apple CarPlay/Android Auto™
  - Front USB connection
  - 2 rear USB connections
- Six speakers
- Vauxhall Connect

#### Comfort and Convenience

- Electronic climate control
- Heated flat bottomed leather-covered steering wheel
- Heated front seats
- Electrically adjustable/heated door mirrors
- Steering wheel audio/phone/cruise controls
- Rain-sensitive windscreen wipers
- Front centre armrest with storage
- Storage pockets on front seat backs
- Automatic anti-dazzle rear-view mirror
- Keyless entry and start

#### Styling

- 18-inch bi-colour alloy wheels
- Red upper window moulding
- Black Griffin logo and vizer frame
- Black front/rear bumper inserts
- Black roof
- Black headliner
- Dark-tinted rear windows
- Alloy-effect sports pedals

## Ultimate

### Features over GS Line models:

#### PureSense

- IntelliLux LED® Matrix headlights with advanced forward lighting
- Front and rear parking distance sensors
- Advanced park assist
- Adaptive cruise control
- Lane positioning assistant
- Forward collision alert (all speed)
- Side blind spot alert with flank guard
- Enhanced automatic emergency city braking
- Automatic high beam assist
- Automatic headlight levelling system

#### Comfort and Convenience

- Electrically foldable door mirrors
- Alcantara interior seat trim
- Moveable boot floor

#### Styling

- Chrome-effect front/rear bumper inserts
- Chrome-effect upper window moulding

# Mokka Range Highlights

**WLTP Combined CO<sub>2</sub> (g/km) figures are based on a configured vehicle as per LCDV code for UK with no options fitted.**

\*Fuel consumption and CO<sub>2</sub> figures are determined according to the WLTP test cycle. CO<sub>2</sub> figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO<sub>2</sub> figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO<sub>2</sub> emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO<sub>2</sub> values of other cars tested to the same technical standard. The fuel consumption achieved, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO<sub>2</sub> figures. Full data relating to WLTP test cycles can be found at: [www.vauxhall.co.uk/wltp](http://www.vauxhall.co.uk/wltp)

**Please note:** On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. On-the-road prices feature a VED based on preliminary CO<sub>2</sub> information.

# PureSense

**Standard Features** – The following features are standard across the entire Mokka range.  
 Specific features by model are outlined in the separate tabular information.

**Cruise control with speed limiter**

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

**Front camera system**

A range of class-leading driver assistance and safety features are controlled by the front camera system.

**Forward collision alert**

The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.

**Automatic emergency city braking**

The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 53mph, and detects both vehicles and pedestrians.

**Speed sign recognition**

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster

**Driver drowsiness alert**

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

**Lane departure warning with lane keep assist**

If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Please note, Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

# PureConnect

**Standard Features** – The following features are standard across the entire Mokka range.  
Specific features by model are outlined in the separate tabular information.

## Pure Panel Digital Display

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With up to a 10-inch infotainment touchscreen and 12-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

### EV information display

- Powerflow display – Informs drivers on the current state of charge
- Charge display – displays an image of the charge port with the corresponding LED charge indication lights
- e-Save – enables the driver to determine how much battery energy needs to be conserved to ensure that the vehicle reaches its destination when in a zero emission zone  
There are three options:
  - 6 mile/12 mile range reserve/Maximum reserve
- Statistics – The Statistics display the average consumption data over a period of time using colour coded graphs
- **Green:** Energy recovered by braking phases and partial recharging by the petrol engine (kWh/mile)
- **Blue:** Energy consumed by the vehicle directly by the battery (kWh/mile)
- **Orange:** Fuel consumption (mpg)

### Digital instrumentation

- Digital speedometer and rev counter
- Satellite Navigation display

- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

### Driver information display (centrally located in digital instrument cluster)

- Total mileage • Service-due indicator
- Oil life • Tyre pressure monitoring system

### Multi-function trip computer (displayed on digital instrument cluster)

- Trip mileage • Vehicle range based on remaining fuel
- Average speed • Average fuel economy
- Instantaneous fuel economy • Driving time

### Digital central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit

**Standard Features** – Vauxhall Connect\* is the new way to stay connected while on the road. Smart technology systems and related services keep our drivers safe and provide an exciting, efficient yet safe trip. Activating Vauxhall Connected Services is easy, just visit Vauxhall Connect Store or download MyVauxhall app.

### Peace of mind

- Emergency call (SOS e-call)
- Breakdown call (b-call)
- Vehicle status and information\*\*
- Maintenance alerts, fuel level, average fuel consumption and mileage

#### Vauxhall SOS

In the event of a breakdown or accident, you can count on Vauxhall Connect as your car has its own SIM card installed. If something happens that means there may have been an accident – say, the airbags are inflated or the pre-tensioners on the seatbelts are activated – an automatic message will go off to the emergency services, with details of your location. Vauxhall Connect SOS can be activated manually too – just press the button and you'll be put straight through to the emergency services on the system's integrated phone. So, if you have an accident, or see one, it only takes a few seconds to call for help.

Got a problem with your car but don't need the emergency services? Just press the Vauxhall Connect Assistance button and you'll be connected to our control centre over the system's integrated phone.

### Convenience

- E-remote control (Mokka Electric only)\*\*
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature

#### E-remote

Check and manage your electric/hybrid vehicle range remotely and in real time using your smartphone. With MyVauxhall you can check the charge and range of your vehicle at any time, and if you're plugged into a charging point, you're even able to control charging when you're far away. To offer peace of mind, you can be alerted when the battery is full or the charging is interrupted.

The remote pre-conditioning feature allows you to warm or cool the vehicle to an optimal temperature before starting your journey. With your comfort in mind, this feature allows you to maximise range if your vehicle is on charge, by taking energy from the source, rather than the battery.

This service is supplied free of charge by Vauxhall for the life of the vehicle.

### Drive Smart

- Live navigation<sup>†</sup> (subscription included for three years) with on-line traffic, fuel prices and parking information, Points Of Interest (POI) search and weather
- Trip and drive management\*\*
- Timestamping of trips, trip details, last vehicle position, guide-to-car and more

#### Live Navigation Plus<sup>†</sup>

Vauxhall's fully integrated navigation system helps you stay informed, providing real-time information from the leading European GPS provider, TomTom<sup>®</sup>. It can be operated using natural voice recognition, meaning your eyes need never leave the road.

Vauxhall Live Navigation Plus is included free of charge for three years and can then be renewed at a cost.

- TomTom<sup>®</sup> services
- Real time traffic news
- Parking prices and availability
- Weather forecast on your journey
- Natural voice control
- Fuel prices at petrol stations
- Search for charging stations
- Quick search for addresses and points of interest
- Road safety alerts

\*Standard on Ultimate models and all Mokka Electric models only. Subject to subscription – after you have taken delivery of your vehicle, please subscribe on: [connect.vauxhall.co.uk](https://connect.vauxhall.co.uk) \*\*via MyVauxhall App.

<sup>†</sup>Standard on Nav models only. Additional terms and conditions apply to connected services, including customer acceptance of location sharing prior to activation.

## Standard Features

### Multimedia with 7-inch touchscreen

#### Standard on Design models

##### Onboard features:

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Six speakers

##### Media connections:

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

##### Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc. are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone).
- SMS read out and reply

##### Smartphone interface:

- Apple CarPlay • Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

##### Additional features:

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

### Multimedia Navi Pro with 10-inch touchscreen

#### Standard on GS line and Ultimate models

#### Standard on Mokka Electric models

##### Features as Multimedia, with the addition of:

- 10-inch colour touchscreen
- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries.

Please note, Apple CarPlay screen illustrated on 10-inch colour touchscreen on multimedia Navi Pro audio unit.

# Comfort and Convenience

**Standard Features** – The following features are standard across the entire Mokka range.  
Specific features by model are outlined in the separate tabular information.

## Interior Convenience

- Front 12-volt electrical accessory socket
- Driver's and front passengers sunvisors incorporating vanity mirrors with covers
- Dipping rear-view mirror
- Reach and rake-adjustable steering
- Steering wheel mounted audio controls
- Front USB connection

## Heating and Ventilation

- Air recirculation facility
- Cabin particulate filter – Removes dust, airborne particles and pollen
- Four-speed fan
- Illuminated controls
- Four adjustable facia vents
- Windscreen demist vents
- Side window demist vents

## Interior Storage

- Centre console with two cup holders at front and one in rear
- Interior courtesy light
- Front map reading lights
- Luggage compartment lighting
- Door pockets with two-litre capacity

## Model Specific Features

## Design

### Steering wheel:

- Three-spoke design
- Flat bottomed leather-covered steering wheel
- Satin chrome-effect bezel

### Facia and door trim:

- Black facia with silver trim inserts
- Instrument panel bar Light Gravel
- Atlantis black trim inserts on front doors
- Chrome-effect interior door handles

### Seating:

- Driver's seat (six-way adjustable):
  - Height
  - Reach
  - Backrest
- Front passenger's seat (four-way adjustable)
  - Reach
  - Backrest

### Seat trim:

- Jet black fabric seat trim inserts
- Jet black fabric side bolsters

GS Line

**Steering wheel:**

- Three-spoke design
- Heated flat bottomed leather-covered steering wheel
- Satin chrome-effect bezel

**Facia and door trim:**

- Black facia with red trim inserts
- Instrument panel bar Light Gravel
- Atlantis black trim inserts on front doors
- Chrome-effect interior door handles

**Seating:**

- Driver's and front passenger's seat (six-way adjustable):
  - Height
  - Reach
  - Backrest
- Heated front seats

**Seat trim:**

- Minstral and Jet black fabric leather-effect seat trim inserts
- Jet black fabric side bolsters

Ultimate

**Steering wheel:**

- Black Alcantara seat trim inserts
- Black premium leather-effect side bolsters

# Safety and Security

**Standard Features** – The following features are standard across the entire Mokka range.

**Airbags**

- Driver’s airbag
- Front passenger’s airbag
- Front seat side-impact airbags
- Full-size curtain airbags

**Seating**

- Three height adjustable rear seat head restraints

**Seatbelts**

- Inertia-reel lap and diagonal seatbelts
- Seatbelt unfastened’ audible warning and warning light

**Braking**

- Hill start assist

**Child safety**

- Deactivation switch for front passenger’s front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat)
- Child-proof locks on rear doors

**Security**

- ‘Key left in ignition’ audible warning
- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel bolts for alloy wheels
- Freewheeling door locks

**Remote control central locking**

- Operates on doors, tailgate and fuel filler flap
- Deadlocking
- Central locking activation switch on driver’s door

**Tyre pressure**

- Tyre pressure monitoring system

# Mokka Electric Specifications

## Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park
- Reverse
- Neutral
- Drive
- Braking (for increased regenerative braking)

## Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Drivetrain	Mokka Electric
CO <sub>2</sub> emissions	0g/km
Maximum power	100kW (136PS)
Maximum torque	260Nm (192lb. ft.)
Acceleration 0-60mph	9.2 sec
Maximum speed	93mph
Transmission	Automatic electric drive with fixed gear ratio
Service interval	Initial inspection at 8,000 miles/1 year (whichever comes sooner). Thereafter 16,000 miles/2 years (whichever comes sooner)

VX\_MOK\_31139

# Mokka Electric Specifications

## Charging

Mokka Electric comes fitted with an 11kW on-board charger and mode 3 cable.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App (standard with all Mokka Electric) or by using the Multimedia Navi Pro infotainment system.

Charging		
Supply	Socket	Charge Time (0-100%)
AC current - Domestic 3 pin socket (2.3kW)	Type 2	21h 45m
AC current - Home wallbox or public charger (7kW)	Type 2	7h 30m
AC current - Public charger (11kW)	Type 2	5h
DC current - Rapid charger (100kW)	CCS	30m (0-80%)

Battery	
Battery capacity	50kWh
AC on-board charger speed	11kW
EV range (WLTP high)	209 miles
Energy consumption (Combined low/high)	15.8-16.2kWh/100km
Battery warranty	8 years/100,000 miles/70% capacity

# Specifications

## Transmission

- Front-wheel drive
- Six-speed manual gearbox
  - Available on 1.2 (100PS) Turbo/1.2 (130PS) Turbo models.
- Eight-speed automatic transmission
  - Available on 1.2 (130PS) Turbo models.

## Steering

- Single pinion electrical power steering

## Brakes

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution
- Emergency brake assist
- Cornering brake control
- Straight line stability control

## Petrol engines

Front ventilated discs: 283mm diameter

Rear drums: 249mm diameter

## Electric engine

Front ventilated discs: 302mm diameter

Rear discs: 268mm diameter

## Fuel tank capacity

– 1.2 (100PS) Turbo/1.2 (130PS) Turbo 44 litres (9.7 gallons)

## Start/Stop technology

Mokka's Start/Stop system offers real benefits by improving fuel economy and reducing CO<sub>2</sub> emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal.

System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

# Performance, Fuel Economy and Emissions

	Performance (manufacturer's figures)		Fuel economy mpg (litres/100km) <sup>#</sup>		CO <sub>2</sub> emissions g/km <sup>#</sup>		Vehicle Excise Duty*		BiK rates from - 2022/23 tax year
	Maximum speed (mph)	Acceleration 0-60mph (sec)	Combined Low	Combined High	Combined Low	Combined High	First year rate	Standard rate	
<b>1.2 (100PS) Turbo</b>	116	10.6	49.6 (5.7)	51.4 (5.5)	124	128	£190	£165	30%
<b>1.2 (130PS) Turbo</b>	125	9.1	50.4 (5.6)	51.4 (5.5)	123	126	£190	£165	30%
<b>1.2 (130PS) Turbo automatic</b>	124	9.2	47.1 (6.0)	47.9 (5.9)	133	137	£230	£165	32%

# Weights and Towing Data<sup>kg</sup>

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
<b>1.2 (100PS) Turbo</b>	1700	1200 (620)
<b>1.2 (130PS) Turbo</b>	1715	1200 (620)
<b>1.2 (130PS) Turbo automatic</b>	1740	1200 (640)

<sup>#</sup>Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO<sub>2</sub> values of other cars tested to the same technical standard. The fuel consumption achieved, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO<sub>2</sub> figures. The CO<sub>2</sub> figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

\*Correct at time of publication.

**Please note: Gross vehicle weight** is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 70kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum nose weight** should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

# Dimensions and Capacities All measurements in mm (inches) unless stated otherwise.

Loadspace Dimensions	Mokka	Mokka Electric
Maximum length behind rear seats	667 (26.3)	667 (26.3)
Maximum length rear seats folded	1418 (55.8)	1418 (55.8)

<sup>1</sup>Vehicle must be ordered with spare wheel fixing option (T7Y) in order to accommodate the spare wheel. <sup>2</sup>Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer. <sup>3</sup>Side steps and splash guards are not available together.

<sup>4</sup>Only available with anti-dazzle rear-view mirror. <sup>5</sup>Only for use with 18-inch diamond-cut alloy wheels. <sup>6</sup>Available on petrol models only.

# Company Car Driver and Fleet Information

## Benefit in kind company car taxation\*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO<sub>2</sub> emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%\*\* for Basic Rate, 40%\*\* for Higher Rate) to calculate your annual benefit in kind tax liability.

### Generic example:

#### ELECTRIC vehicle: 0g/km CO<sub>2</sub>

On-the-road RRP	£27,305.00
Deduct: Vehicle Excise Duty	£0.00
New vehicle first registration fee	-£55.00
Effective list price	£27,250.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£27,850.00
Car benefit charge 2022-23 tax year (2%)	£557.00
Benefit in kind tax liability	
Basic Rate (20%) tax payer	£111.40
Higher Rate (40%) tax payer	£222.80

\*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.  
 \*\*Excludes residents of Scotland.

### BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

#### The BiK rates for Scotland are:

- Over £12,570 - £14,732 Starter Rate 19%
- Over £14,732 - £25,688 Basic Rate 20%
- Over £25,688 - £43,662 Intermediate Rate 21%
- Over £43,662 - £150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO <sub>2</sub> emissions (g/km)	Percentage of cars price to be taxed 2022-23 tax year
Up to 50	14%
51 - 54	15%
55 - 59	16%
60 - 64	17%
65 - 69	18%
70 - 74	19%
75 - 79	20%
80 - 84	21%
85 - 89	22%
90 - 94	23%
95 - 99	24%
100 - 104	25%
105 - 109	26%
110 - 114	27%
115 - 119	28%
120 - 124	29%
125 - 129	30%

# Further Information

## On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.\*

**Please note:** The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

## Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

**Please note:** Price protection does not apply to Mokka Electric/Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

## In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit [vauxhall.co.uk/AccidentManagement](http://vauxhall.co.uk/AccidentManagement)

## Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit [vauxhall.co.uk/offers-finance/business-leasing.html](http://vauxhall.co.uk/offers-finance/business-leasing.html)

## Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO<sub>2</sub>) emissions produced by the vehicle. CO<sub>2</sub> emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

## Vehicle Excise Duty\*

Band	CO <sub>2</sub> emissions in grams per kilometre	First year rate Petrol	Standard rate Petrol	Standard rate Electric
A	0	£0	£0	£0
B	1 – 50	£10	£165	–
C	51 – 75	£25	£165	–
D	76 – 90	£120	£165	–
E	91 – 100	£150	£165	–
F	101 – 110	£170	£165	–
G	111 – 130	£190	£165	–
H	131 – 150	£230	£165	–
I	151 – 170	£585	£165	–
J	171 – 190	£945	£165	–
K	191 – 225	£1,420	£165	–
L	226 – 255	£2,015	£165	–
M	Over 255	£2,365	£165	–

\*Correct at time of issue.

# Further Information

## Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

**Please note:** Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

## Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on Mokka Electric models the cover is extended\* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free\*\* phone call away, 24 hours a day, 365 days a year!

## Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see [vauxhall.co.uk/recycling](https://www.vauxhall.co.uk/recycling)

## Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT<sup>†</sup>** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: [vauxhall.co.uk/vauxhallcare](https://www.vauxhall.co.uk/vauxhallcare)
