# Choose Your Trim Level

## SE Edition

First in the line-up is the wonderfully well-equipped SE Edition.

### Mokka-e SE Premium

Mokka-e's entry level trim which is highly equipped as standard.

## SRI Premium

This sporty number in the range comes with stylish red accents and is loaded with even more tech.

### Mokka-e SRI Premium

Stylish, sporty and 100% electric in more ways than one.

## Elite Edition

Both Elite models come with sat nav as standard, with Elite Premium giving you even more styling and technology features.

### Mokka-e Elite Premium

e-mobility with more than a hint of style and technology thrown in.

## Ultimate

All you could ask for; our Ultimate model has it all.

### Mokka-e Ultimate

All you could ask for and all-electric; the Ultimate model is top-of-the range.

**Mokka's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.**

\*Fuel consumption and CO<sub>2</sub> figures are determined according to the WLTP test cycle. CO<sub>2</sub> figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO<sub>2</sub> figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO<sub>2</sub> emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO<sub>2</sub> values of other cars tested to the same technical standard. The fuel consumption achieved, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO<sub>2</sub> figures. Full data relating to WLTP test cycles can be found at: [www.vauxhall.co.uk/wltp](http://www.vauxhall.co.uk/wltp)

**Please note:** On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. On-the-road prices feature a VED based on preliminary CO<sub>2</sub> information.

**Please note:** On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price has been calculated using manufacturer estimates and includes a £2,500.00 OZEV grant which has been deducted from the price of the vehicle (OZEV Grant not available in the Isle of Man). New Mokka-e is expected to be a qualifying model for this grant subject to acceptance by OZEV. Please check with your Retailer for latest status. The grant is a government incentive and is subject to withdrawal prior to delivery of your vehicle. Retailers may be required to carry out more than one credit check during the course of the order process. You may be required to place a deposit when placing your order with your supplying Retailer. In the event of a price change, deposit refunds will be governed by your supplying Retailer's policy and as such must be discussed with the supplying Retailer.

Mokka-e is not covered by our Price Protection Guarantee. See 'Further Information' page for details.

# Safety

**Standard Features** – The following features are standard across the entire Mokka range.

## Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags

## Seating

- Three height adjustable rear seat head restraints

## Seatbelts

- Inertia-reel lap and diagonal seatbelts
- Seatbelt unfastened' audible warning and warning light

## Braking

- Automatic emergency city braking – The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 53mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 53mph it brakes automatically to reduce speed by a maximum of 14mph – to reduce speed even further the driver must brake him/herself

- Anti-lock Braking System (ABS)
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline
- Adaptive brake lights – Automatically warns other road users of heavy braking

## Child Safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

## Stability

- Electronic Stability Programme (ESP) – ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability

## Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

## Tyre pressure

- Tyre pressure monitoring system.

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency city braking.

# Driver Assistance

**Standard Features** – The following features are standard across the entire Mokka range.  
Specific features by model are outlined in the separate tabular information.

## Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

## Front camera system

A range of class-leading driver assistance and safety features are controlled by the front camera system.

## Forward collision alert

The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.

## Steering

- Speed sensitive electrically assisted power steering
- Reach and rake adjustable steering

## Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster

## Driver drowsiness alert

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

## Lane departure warning with lane keep assist

If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

# Pure Panel – Driver Information

**Standard Features** – The following features are standard across the entire Mokka range.  
Specific features by model are outlined in the separate tabular information.

## Digital Display Information

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With up to a 10-inch infotainment touchscreen and 12-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

### Driver Information

#### Digital instrumentation

- Digital speedometer and rev counter
- Satellite Navigation display
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

#### Driver information display (centrally located in digital instrument cluster)

- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

#### Multi-function trip computer (displayed on digital instrument cluster)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

#### Digital central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit

# Pure Panel – Infotainment

## Standard Features

### Multimedia with 7-inch touchscreen

#### Standard on SE Edition

##### Onboard features:

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Six speakers

##### Media connections:

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

##### Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc. are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone).
- SMS read out and reply

##### Smartphone interface:

- Apple CarPlay • Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

##### Additional features:

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries. \*Standard on SRi (from May 2021) and Nav models only. Services may require a subscription/fee and are subject to mobile network coverage and availability. Standard on Nav models only. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee.

### Multimedia Navi with 7-inch touchscreen

#### Standard on Elite Edition

#### Standard on Mokka-e SE Premium models

##### Features as Multimedia, with the addition of:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB

### Multimedia Navi Pro with 10-inch touchscreen

#### Standard on SRi Premium, Elite Premium and Ultimate

#### Standard on Mokka-e SRi Premium, Elite Premium and Ultimate models

##### Features as Multimedia Navi, with the addition of:

- 10-inch colour touchscreen

### Vauxhall Connect\*

#### e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that's what you get with new Vauxhall Connect. In an emergency or breakdown, you'll be put in touch with a trained advisor, with just the touch of a button.

#### Live navigation and more:

You can also access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door).
- **Our additional services for electric vehicles:** trip planning, remote settings or public charging solutions – we keep you going!
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management

Please note, Apple CarPlay screen illustrated on 10-inch colour touchscreen on multimedia Navi Pro audio unit.

# Interior Styling and Comfort

SE Edition/SE Premium

**Steering wheel:**

- Three-spoke design
- Flat bottomed leather-covered steering wheel
- Satin chrome-effect bezel

<b>1.5 (110PS) Turbo D</b>	1750	1200 (640)

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO<sub>2</sub> values of other cars tested to the same technical standard. The fuel consumption achieved, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO<sub>2</sub> figures. The CO<sub>2</sub> figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

\*Correct at time of publication. \*\*Provisional data.

**Please note: Gross vehicle weight** is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 70kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

# Specifications

## Transmission

- Front-wheel drive
- Six-speed manual gearbox
  - Available on 1.2 (100PS) Turbo/1.2 (130PS) Turbo/1.5 (110PS) Turbo D models.
- Eight-speed automatic transmission
  - Available on 1.2 (130PS) Turbo models.

## Steering

- Single pinion electrical power steering

## Brakes

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution
- Emergency brake assist
- Cornering brake control
- Straight line stability control

Rear drums: 249mm diameter

## Electric engine

Front ventilated discs: 302mm diameter

Rear discs: 268mm diameter

## Fuel tank capacity

– 1.2 (100PS) Turbo/1.2 (130PS) Turbo 44 litres (9.7 gallons)

– 1.5 (110PS) Turbo D 41 litres (9.0 gallons)

## AdBlue® Tank Capacity

– 15 litres (3.3 gallons)

## Start/Stop technology

New Mokka's Start/Stop system offers real benefits by improving fuel economy and reducing CO<sub>2</sub> emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal.

System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

# All-new Mokka-e Specifications

## Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park
- Reverse
- Neutral
- Drive
- Braking (for increased regenerative braking)

## Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance.

Drivetrain	Mokka-e
CO <sub>2</sub> emissions	0g/km
Maximum power kW/PS	100/136
Maximum torque Nm/lb. ft.	260/192
Acceleration 0-60mph (sec)	8.7
Maximum speed mph	93
Transmission	Automatic electric drive with fixed gear ratio
Service interval	Initial inspection at 8,000 miles/1 year (whichever comes sooner). Thereafter 16,000 miles/2 years (whichever comes sooner)*
Electric range	201 miles (WLTP preliminary)

VX\_MOK\_32596

The Mokka-e is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

\*Provisional figures to be confirmed.

# All-new Mokka-e Specifications\*

## Charging

New Mokka-e comes fitted with an 11kW on-board charger and mode 3 cable.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time.

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App (standard with all Mokka-e) or by using the Multimedia Navi Pro infotainment system (standard on SRi Premium, Elite Premium and Ultimate).

Battery	11kW on-board charger
Battery energy kWh	50
EV range (WLTP high)	201 miles
Battery consumption (Combined low/high)	17.4–17.8kWh/100km
Battery warranty	8 years/100,000 miles/70% capacity
<b>Time to charge</b>	
Domestic Wallbox – Accelerated charger 7kW	7 h 35 min (0–100% battery capacity)
Public Charging – Accelerated charger 22kW	5hr 05 min (0–100%)
Rapid Charger 50kW**	45 min (15–80%)†
Rapid Charger 100kW**	30 min (15–80%)†

VX\_MOK\_31319

The Mokka-e is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

\*Provisional data. \*\*You can obtain 15–80% of the vehicle charge in 30 minutes from a 100kW rapid charging station. You can obtain 15–80% of the vehicle charge in 45 minutes from a 50kW rapid charging station. Rapid charging stations are widely available across the UK at various locations and their power rating varies, typically from 50kW and sometimes up to 350kW. †The charging time may vary according to the type and power of the charging station, the outside temperature at the charging point and the battery temperature.

# Dimensions and Capacities

All measurements in mm (inches) unless stated otherwise.

Loadspace Dimensions	Mokka	Mokka-e
Maximum length behind rear seats	667 (26.3)	667 (26.3)
Maximum length rear seats folded	1418 (55.8)	1418 (55.8)

<sup>4</sup>Only available with anti-dazzle rear-view mirror. <sup>5</sup>Only for use with 18-inch diamond-cut alloy wheels. <sup>6</sup>Available on petrol and diesel models only.

# Company Car Driver and Fleet Information

## Benefit in kind company car taxation\*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO<sub>2</sub> emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%\*\* for Basic Rate, 40%\*\* for Higher Rate) to calculate your annual benefit in kind tax liability.

### Example:

#### Mokka SE Edition 1.5 (110PS) Turbo D Start/Stop (CO<sub>2</sub> emissions 114g/km)

On-the-road RRP	£23,090.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£22,855.00
Add: Optional two-coat metallic paint	£550.00
List price for tax purposes (P11D value)	£23,405.00
Car benefit charge 2021-22 tax year (26%)	£6,086.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£1,217.20
Higher Rate (40%) tax payer	£2,434.40

\*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

\*\*Excludes residents of Scotland.

### BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

### The BiK rates for Scotland are:

- Over £12,570-£14,667 Starter Rate 19%
- Over £14,667-£25,296 Basic Rate 20%
- Over £25,296-£43,662 Intermediate Rate 21%
- Over £43,662-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO <sub>2</sub> emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51-54	14%
55-59	15%
60-64	16%
65-69	17%
70-74	18%
75-79	19%
80-84	20%
85-89	21%
90-94	22%
95-99	23%
100-104	24%
105-109	25%
110-114	26%
115-119	27%
120-124	28%
125-129	29%
130-134	30%
135-139	31%
140-144	32%
145-149	33%
150-154	34%
155-159	35%
160-164	36%
165-169	37%
170+	37%

CO <sub>2</sub> emissions (g/km)	Electric range (miles)	Percentage of cars price to be taxed 2021-22 tax year
0	-	1%
1-50	130+	1%
1-50	70-129	4%
1-50	40-69	7%
1-50	30-39	11%
1-50	<30	13%

# Further Information

## On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.\*

**Please note:** The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

## Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

**Please note:** Price protection does not apply to Mokka-e/Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

## In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit [vauxhall.co.uk/AccidentManagement](http://vauxhall.co.uk/AccidentManagement)

## Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit [vauxhall.co.uk/offers-finance/business-leasing.html](http://vauxhall.co.uk/offers-finance/business-leasing.html)

## Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO<sub>2</sub>) emissions produced by the vehicle. CO<sub>2</sub> emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

## Vehicle Excise Duty\*

Band	CO <sub>2</sub> emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel	Standard rate Electric
A	0	£0	£0	£0
B	1-50	£10	£155	£0
C	51-75	£25	£155	£0
D	76-90	£115	£155	£0
E	91-100	£140	£155	£0
F	101-110	£160	£155	£0
G	111-130	£180	£155	£0
H	131-150	£220	£155	£0
I	151-170	£555	£155	£0
J	171-190	£895	£155	£0
K	191-225	£1,345	£155	£0
L	226-255	£1,910	£155	£0
M	Over 255	£2,245	£155	£0

\*Correct at time of issue.

# Further Information

## Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

**Please note:** Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

## Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on Mokka-e models the cover is extended\* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free\*\* phone call away, 24 hours a day, 365 days a year!

## Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see [vauxhall.co.uk/recycling](http://vauxhall.co.uk/recycling)

## Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT<sup>†</sup>** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: [vauxhall.co.uk/vauxhallcare](http://vauxhall.co.uk/vauxhallcare)

## Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall's aged 2-3 Years = 15% off parts and labour
- Vauxhall's aged over 3 Years = 25% off parts and labour
- Half price MOT's (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue® Refills
  - Car = £14.99
  - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary 'Wash and Vac' with all routine services<sup>††</sup>
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: [vauxhall.co.uk/serviceclub](http://vauxhall.co.uk/serviceclub)

## Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for five years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer<sup>‡</sup>
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover
