On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car. Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include the recommended cost of number plates and delivery to a Vauxhall retailer of £595.00 (including £88.62 VAT), 12 months' Government Vehicle Excise Duty (see page 3 for details) and the DVLA new vehicle first registration fee of £38.00*.

* = Correct at time of going to press.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the retailer, motor insurance or any other goods or services supplied by agreement between the retailer and the customer.

Protecting the environment

Our products are increasingly winning environmental awards, both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, including information on Design for Recycling, take-back of End-of-Life Vehicles (ELVs), and the recycling of ELVs, see www.vauxhall.co.uk/recycling. Looking to the future, we are also investing heavily in the biggest potential breakthrough of the next decade – the hydrogen fuel cell car.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your retailer) for delivery no more than three months in advance and the price you are guoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available Vauxball Motors is not liable for price adjustments caused by Government changes in the rate of VAT (currently 17.5%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Vauxhall Internet Price (VIP)

All Vauxhall cars have a special Vauxhall internet price (VIP) as well as the onthe-road recommended retail price (RRP). See www.vauxhall.co.uk for details. It is Vauxhall's understanding that company car taxation will continue to be based on the on-the-road recommended retail price (RRP).

PRE-CURRENT MODEL YEAR VEHICLES – This Price Guide includes prices for certain pre-current model year vehicles – see page 39 for details. Offers may be available on these vehicles but stocks are limited, so please consult your retailer for availability.

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle and the type of fuel it uses. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into seven charging bands for each of the fuel types shown in the table on the right.

Vehicle Excise Duty*

	Band A	Band B	Band C	Band D	Band E	Band F	Band G
CO ₂ emissions	up to 100g/km	101-120g/km	121-150g/km	151-165g/km	166-185g/km	186-225g/km	over 225g/km
Petrol	£0.00	£40.00	£100.00	£125.00	£150.00	£190.00	£210.00
Diesel	£0.00	£50.00	£110.00	£135.00	£160.00	£195.00	£215.00

* = Correct at time of going to press.

Benefit in kind company car taxation** The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to retailer and number plates, but excluding Vehicle Excise Duty and new

fitted, delivery to retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (22% for Basic Rate, 40% for Higher Rate, for 2006-07 tax year) to calculate your annual benefit in kind tax liability.

Example:

Astra Life 1.6i 16v manual 5-door hatchback (CO ₂ emissions 156g/km)	
On-the-road RRP	£13535.00
Deduct: Vehicle Excise Duty	(£125.00)
New vehicle first registration fee	(£38.00)
Effective list price	£13372.00
Add: Optional two-coat metallic paint	£350.00
List price for tax purposes (P11D value)	£13722.00
Car benefit charge	
2006-07 tax year (18%)	£2469.00
Benefit in kind tax liability (2006-07 tax year)	
Basic Rate (22%) tax payer	£543.00
Higher Rate (40%) tax payer	£987.00

** = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not purport to provide taxation guidance. Drivers should always take professional advice on their own tax position.

O = Optional at extra cost. • = Standard equipment.

1 = Not available in conjunction with panoramic windscreen. 2 = Standard on 1.6i 16v Turbo and 1.9CDTi 16v (150PS) models. Not available on models fitted with Easytronic transmission. 17-inch alloy wheels will affect the Vehicle Excise Duty payable on 1.8i 16v VVT automatic models - see page 3 for details. In addition, due to increased CO₂ emissions, on certain engines there will be a slight increase in benefit in kind charges for company car drivers. CO₂ emissions figures: 1.6i 16v VVT (manual) – 161g/km; 1.8i 16v VVT (manual) – 180g/km; 1.8i 16v VVT (automatic) – 190g/km. 3 = Standard on SRi with Exterior Pack models. 4 = Standard on 1.6i 16v Turbo and 1.9CDTi diesel models. 5 = If fitted in conjunction with panoramic windscreen, ultrasonic sensors are deleted. 6 = Only available in conjunction with Sports Pack (Sports Pack is standard on 1.6 i 16v Turbo and 1.9 CDT i 16v (150PS) models). 7 = Not available in conjunction with Sight and Light Pack, VXR Styling Pack One or mobile phone system with Bluetooth[®]. Deletes illuminated driver's and front passenger's vanity mirrors, front map reading lights, body-colour roof mouldings and driver's sunglasses holder. Not available in conjunction with Glacier White solid paint. 8 = Not available on SRi with Exterior Pack models. Deletes ultrasonic sensors from remote control security alarm system.

O = Optional at extra cost. • = Standard equipment.

1 = For details on the correct fitment of child seats when the vehicle is fitted with a front passenger's airbag or side-impact airbags please consult your Vauxhall retailer. 2 = Standard on 1.6i 16v Turbo and 1.9CDTi 16v (150PS) models. Not available on models fitted with Easytronic transmission. Due to increased CO₂ emissions, on certain engines there will be a slight increase in benefit in kind charges for company car drivers. CO₂ emissions figures: 1.6i 16v VVT (manual) – 163g/km; 1.8i 16v VVT (manual) – 182g/km: 1.8i 16v VVT (automatic) – 192g/km. 3 = Standard on SRi with Exterior Pack models. 4 = Standard on 1.6i 16v Turbo and 1.9CDTi diesel models. 5 = Only available in conjunction with Sports Pack (Sports Pack is standard on 1.6i 16v Turbo and 1.9CDTi 16v (150PS) models). 6 = Includes uprated sports suspension, sports steering, ESP-plus and Sport switch. Not available on 1.4i 16v. 1.6i 16v Easytronic and 1.3CDTi 16v (90PS) models. Due to increased CO₂ emissions, on certain engines there will be a slight increase in benefit in kind charges for company car drivers. CO₂ emissions figures: 1.6i 16v VVT (manual) – 163g/km; 1.8i 16v VVT (manual) – 182g/km. 7 = Includes steering wheel mounted audio controls.

O = Optional at extra cost.

1 = Not available on SRi Nav models. 2 = Not available on 3.0CDTi V6 24v models. Due to increased CO₂ emissions, on certain engines there will be a slight increase in benefit in kind charges for company car drivers. CO₂ emissions figures: 2.21 16v Direct (manual estate) – 190g/km; 1.9CDTi 16v (150PS) (automatic estate) – 192g/km; 3 = Standard on SRi/SRi Nav with Exterior Pack models. 4 = ESP-plus incorporating traction control is standard on 2.81 V6 24v Turbo/3.0CDTi V6 24v models. 5 = Please note: a separate electrical adaptor (13-pin to 7-pin) is required - available as an accessory at extra cost. This adaptor does not allow for supplementary trailer power requirements. 6 = Includes fixing points for accessory dog guard. 7 = Available on 2.01 16v Turbo, 2.21 16v Direct and 1.9CDTi 16v (150PS) models fitted with optional ESP-plus or Towing Pack and V6 models only. 8 = Deletes storage pocket between sunvisors. 9 = Must be used with separate base carrier (available as a Vaxhall accessory) if luggage is to be carried on the roof. 10 = Standard on SRi Nav models. 11 = Deletes drinks holders in centre console.

O = Optional at extra cost.

1 = Please note: a separate electrical adaptor (13-pin to 7-pin) is required – available as an accessory at extra cost. This adaptor does not allow for supplementary trailer power requirements. 2 = Must be used with separate base carrier (available as a Vauxhall accessory) if luggage is to be carried on the roof. **3** = Deletes drinks holders in centre console.

(38)

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £595.00 (inc. £88.62 VAT), 12 months' Vehicle Excise Duty (see page 3) and new vehicle first registration fee of £38.00. Excludes fuel and insurance.

 $* = CO_2$ emission figure. Vehicle Excise Duty is based on CO_2 emissions (see page 3 for details). For benefit in kind taxation charges see page 3.

Urban

Fuel economy mpg (litres/100km)

Extra-urban Combined

The fuel consumption figures shown comply with EC directive 1999/100 to provide a realistic indication of fuel consumption by taking into account everyday driving conditions, such as cold starts, acceleration and braking. These igures take account of the vehicle's kerbweight, ascertained in accordance with the above regulation. **Important**: the results given relate to the particular car tested. Variations in trim level and equipment may result in slightly higher fuel consumption and CO₂ emission levels than those quoted. Driving style, road and traffic conditions, vehicle mileage and standard of maintenance may also affect fuel consumption; therefore the results do not express or imply any guarantee of fuel consumption attainable.

5 = Figures apply to vehicles fitted with wheels up to 18 inches in diameter.

6 = Figures apply to vehicles fitted with 19-inch wheels.

Satellite navigation

Vauxhall's satellite navigation systems are designed for ease of use and extremely high levels of information. Some systems are fitted with the latest Traffic Message Channel (TMC), broadcasting real-time traffic information, delivered either visually or verbally – alerting the driver to a problem on the planned route and then offering an alternative route to avoid the incident.

The systems use the international network of GPS (Global Positioning System) satellites linked to a comprehensive CD-ROM mapping system to determine your precise location and guide you to your chosen destination virtually anywhere in mainland Britain. Additional discs can be purchased for all major European countries, which means that making a cross-European trip can now be as simple as changing a CD. All units are simple to operate, using a range of menu-driven options which are easily accessed from the central control button or via the steering wheel mounted audio controls. The audible direction guidance prompts give details of road numbers and motorway junction numbers. There are a number of options that enable you to plan your journey – for example by avoiding motorways.

The CD 60 units feature verbal instructions together with schematic arrows displayed in the centrally mounted monochromatic graphic information display. CD70 units (shown above) additionally feature a colour monitor with a mapping function in addition to the directional arrows.

Mobile phone system with Bluetooth®

Vauxhall's factory-fit dual-band mobile phone system provides integration with the audio and communication system, it also features voice control and will connect wirelessly to phones with Bluetooth[®] technology.

All the required information is shown on the facia display when a mobile phone is in use, while the menus are easily navigated by either the steering wheel audio controls or the multi-function button on the radio. Certain functions can also be controlled by voice activation.

The phone system base unit must be fitted with a cradle (available as an accessory) mounted on the centre console – see page 56 for a list of compatible mobile phones.

Rear seat Twin Audio®

Vauxhall's Twin Audio® system provides peace and quiet on long journeys! The system comes with a single headphone set and separate rear controls so front and rear passengers can listen to the radio or a CD totally independently of each other. The rear seat control module sits at the end of the centre console between the two front seats. This provides an on/off switch, independent volume controls for each headset, switching between CD and radio tuner and a scan function.

The system even mutes the rear speakers when any headphones are in use. Additional headphone sets for a second rear seat passenger are available as accessories – contact your Vauxhall retailer for information.

Please note:

Not all of these features are available on all models. Please see model pages for details.

Roof-mounted removable DVD player (retailer-fit)

The DVD player features a seven-inch screen with excellent picture quality and brightness – very important features for in-car use. Mounted in the roof of the vehicle, it's ideally situated to allow good visibility for all rear seat passengers.

It is also removable from the vehicle, offering the advantages of extra security and the ability to continue watching films after the journey has ended – it can even be connected up to a TV if required. Included within the DVD player package are two sets of wireless headphones with carry cases, a remote control and a mains adaptor.

Keyless entry and start

Keyless entry and start system means that the driver need never remove their key fob from their pocket. When approaching the car, sensors in the front door handles and rear bumper detect the driver's proximity and automatically unlock the doors or boot when the handle is pulled.

When in the car, two internal sensors activate the ignition and release the electronic steering lock, enabling the driver to start or stop the engine merely by pressing the facia-mounted Start/ Stop button.

Upon leaving the vehicle, the driver can lock it by either pressing a button on the key fob like a convention system, or by simply touching one of the sensors on the external handles of the front doors.

The system also offers excellent theft protection by its use of sophisticated cryptographic algorithms.

Easytronic transmission Choose any model with Easytronic transmission and you'll get a five speed manual gearbox with a fully automatic mode. In manual mode, you simply push the lever forward or back to shift gears up or down. The facia display tells you what gear you're in – 1 to 5. N for Neutral or A

for Auto. Switch to fully automatic mode and it has many of the features of a regular automatic including a kickdown function. There's no clutch pedal so you can drive it on an automatic-only driving licence.

Automatic transmissions

A range of four, five and six-speed automatic transmissions are matched to the model and engine size. Many use an electronically controlled adaptive driving programme to tailor gearchanges to suit driving conditions and your driving style. And to reduce the chance of wheelspin in icy conditions, the Winter mode selects a higher than normal gear for standing starts. On five and six-speed transmissions the Active Select manual mode allows the gearlever to be used like a manual gearbox in order to change gear exactly when you want – you simply push the lever forward or back to change up or down the gears.

Parking distance sensors

This system helps safeguard your car and pedestrians by providing an audible warning to the driver when an object is detected by one of the sensors. Rear parking distance sensors are operated when reverse gear is selected. Zafira, Vectra and Signum models also feature front parking distance sensors. Additionally there are a range of accessory rear sensors available for fitment by your retailer.

48)

Air-conditioning

Air-conditioning provides chilled air on hot days and a lot more besides. By dehumidifying the atmosphere inside the car, air-conditioning can also increase your comfort and safety with faster window demisting on wet days and an altogether fresher travelling environment the whole year round.

Electronic Climate Control (ECC)

Electronic Climate Control (ECC) offers significant benefits over regular airconditioning by allowing you to set your preferred interior temperature and maintain it, regardless of external temperature and vehicle speed. Switch the system to automatic and it will achieve the desired temperature as swiftly as possible.

A sunlight sensor even accounts for rapid changes in temperature caused by driving in and out of direct sunlight. On Vectra and Signum the system also allows you to choose different cabin temperatures on each side of the car.

Electronic Climate Control (ECC) display as featured on Vectra.

Adaptive Forward Lighting (AFL)

Adaptive Forward Lighting is a sophisticated lighting system that allows you to see around corners by adjusting the headlights to follow the direction of the front wheels. And on some models the 'Cornering light' illuminates kerbs, street signs and tight bends. In fact, *Autocar* magazine were so impressed that they described it as a 'must-have' feature.

New Corsa and Meriva models feature AFL with halogen headlights, whilst Astra, Zafira, Vectra and Signum models with AFL additionally feature more powerful xenon headlights with dynamic beam-levelling, high pressure washers and the 'Motorway light' function.

The 'Cornering light' uses an additional bulb and reflector to project a beam of light approximately 90° to the direction of travel when required – for example when turning at junctions or even negotiating tight roundabouts.

The 'Curving light' function is speeddependent and is activated by movements of the steering wheel and allows the headlight beam to move up to 15 degrees left or right of the straight ahead position. This ensures that the headlight beams are always aimed in the direction you're about to go – and not necessarily the direction the front of the car is already pointing in!

At speeds above 65mph, AFL's 'Motorway light' function raises the dipped headlight beam to extend the range of vision for increased safety at higher speed. The beam automatically returns to its normal position when the car falls below that speed.

Please note: Not all of these features are available on all models. Please see model pages for details.

Electronic Stability Programme (ESP)

Electronic Stability Programme has been developed to help the driver maintain control in adverse or emergency situations. ESP compares the direction of the front and rear of the vehicle compared to the driver's steering wheel input. If either the front or rear of the vehicle begins to slide, ESP gently applies corrective braking to the appropriate individual road wheel, controlling and minimising the slide. ESP is utilised in conjunction with Traction Control to promote safer driving under all road conditions. The latest generation of the system, ESP-plus is an advanced development which features an enhanced yaw compensation system for reducing understeer. This means that ESP-plus has the ability to apply corrective braking to all four road wheels if necessary; a clear advantage over the standard ESP system where only one wheel is retarded in any given situation.

Hill Start Assist (HSA)

As its name suggests, Hill Start Assist helps prevent the vehicle from rolling down gradients of more than five percent immediately after the brake pedal has been released. Brake pressure is maintained for 1.5 seconds after the driver releases the pedal, the brakes are released as soon as the driver presses the accelerator and the car moves forward.

Interactive Driving System-plus (IDS-plus) with Continuous Damping Control (CDC)

The Interactive Driving System (IDS-plus) provides an even sportier driving experience thanks to electronic damping control together with sharper throttle and steering responses. Pressing the 'Sport' switch activates the CDC function which constantly adjusts the rate of damping on

e CDC function which the rate of damping on The Sport switch a sharper engine acceleration, whil steering is also a

each wheel – effectively stiffening the suspension when required. This means that the vehicle will exhibit a reduced rate of roll and pitch, making it more responsive during direction changes and more settled during the braking/ turn-in/acceleration transition when cornering.

The Sport switch additionally provides a sharper engine response and crisper acceleration, while the power assisted steering is also adjusted, giving the driver a more positive initial turn-in to corners.

Vectra VXR models feature an uprated system – IDS^2 -plus.

58

Our commitment to innovation, quality and reliability helps make every Vauxhall both enjoyable to drive and easy to live with. Invest in a new Vauxhall, however, and you'll get far more than a great drive. You also gain access to a range of customer-led products and services that set high standards for customer care and support.

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment* that offers the following:

- A one-year unlimited mileage manufacturer's warranty
- Second and third year no-fee customer option warranty up to 60,000 miles (100,000 miles Vivaro/Movano combi models) from first registration
- Vauxhall Assistance for 12 months from first registration
- Six years body panel antiperforation warranty

Vauxhall Assistance**

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery, 'at home' service and flat tyres to illness while driving. With Vauxhall Assistance help is literally just a free[†] phone call away, 24 hours a day, 365 days a year!

Vauxhall Rental

A nationwide network guarantees well prepared and maintained Vauxhalls for rental at competitive rates which include insurance and Vauxhall Assistance.

For further information please call **0870 442 1567.**

Vauxhall Leasing

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and van leasing solutions – for business users and private individuals. Working with the Vauxhall retailer network, we combine the support of a national contract with the convenience of a local contact.

For further information, please see your local Vauxhall retailer or call us on **0870 737 2557**. Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

Buying your Vauxhall

For straightforward advice on a simple, affordable way into a new or used car ask your Vauxhall retailer. GMAC offers a wide range of finance solutions that are easy to understand, flexible enough to suit every need and convenient to arrange at your Vauxhall retailer.

Fleet Customer Services

Our dedicated support services for fleet managers includes factory demonstrators, a 48hr test drive programme and information on whole life costs, company car taxation and finance.

For further information please call **0870 010 0651.**

Specialist Mobility advice

Motability accredited Vauxhall retailers can provide special mobility help and advice. Blue badge holders are entitled to very favourable discounts when purchasing new vehicles. For full details contact your local Motability accredited Vauxhall retailer or Freefone **0800 731 5267**.

For more product information

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall retailer please Lo-*call* **0845 600 1500**. Alternatively, details can be found on our website at www.vauxhall.co.uk

Lo-*call* 0845 600 1500 www.vauxhall.co.uk

- * Warranty is only on vehicles sourced from Vauxhall Motors Ltd. Terms and conditions apply – please see your Vauxhall retailer for details.
- ** Conditions may apply to combi/minibus models.
- † Mobile phone users will be charged at their standard tariff.

Customer Care

Sureguard protection

Should you wish to enjoy Vauxhall Assistance for a full three years from first registration, then new Sureguard Assistance is for you. If you are a higher mileage driver or plan to keep your vehicle for longer than the standard warranty period, you need the protection of Sureguard Warranty. This provides all the peace of mind of a parts and labour warranty – including Assistance – for the duration of your cover. Both now come with the added peace of mind of Sureguard MOT Warranty. For details contact your Vauxhall retailer or call **0870 752 7020**.

		Sureguard Warranty (includes Assistance and MOT Warranty)
	Sureguard Assistance (inc. MOT Warranty) 36 months††	48 months††/ 60,000 miles††
Agila / Corsa / Meriva	£139.00	£325.00
Astra / TwinTop / Zafira / Tigra	£139.00	£375.00
Vectra / Signum	£139.00	£425.00
Vivaro/Movano	£225.00	£635.00

Prices quoted include VAT or IPT (Sureguard Assistance only) at 17.5% and were correct at time of going to press but are subject to change without prior notice. ⁺⁺ From date of vehicle's first registration. Cover will expire at the end of the cover period/mileage limit whichever is the sooner.

The GM Platinum Card is issued by HFC Bank Limited and is available to persons aged 18 years or over and resident in the UK (or 21 and over in the Channel Islands) and is subject to status and conditions. Written quotations are available upon request from The GM Platinum Card. PO Box 3615. Birrningham B3 2RJ. The typical APR quoted is the rate for new customers. *Rebate Points are earned on purchases using The GM Platinum Card. Rebate Points are not earned on Balance Transfers or Cash Advances. You earn money off a new Yauxhall/Saab by accumulating Rebate Points under the Rebate Points Programme. Vauxhall Motors Ltd is solely responsible for the operation of the Rebate Points Programme. Which is subject to the Rebate Points Programme Rules. You can redeem up to 2500 Rebate Points subject to the Model Line Maximum which will vary in amount in relation to different Vauxhall/Saab vehicle model lines and unlimited Partner Points. Rebate Points are redeemable as discounts on a new Vauxhall/Saab vehicle and must be redeemed four years from the issue date. Rebate Points may not be redeemed by Motability Contract Hire customers. The GM Card is a trading name and style of both HFC Bank Limited and Vauxhall Motors Ltd. HFC Bank registered in England No. 1117305. Registered Office: North Street, Winkfield, Windsor, Berkshire SL4 4TD is authorised and regulated by the Financial Services Authority. *Member* **HSBC Corrup** HFC Bank Limited is not a member of the same group of companies as Vauxhall Motors Ltd. Saab GB Limited or GMAC (UK) plc: Vauxhall Motors. Ltd. Registered Office: Griffin House, Osborne Road, Luton, Bedfordshire LU1 3YT. Registered in England number 135767. – CN6/0987.
